

Caring Paws Pet Sitting Services, LLC

Key Retention Service

One of our goals at Caring Paws is to make your trips as convenient and seamless as possible. Our key retention service will make your future trips easier and more expedient.

When Caring Paws takes possession of your keys, they are coded so that the keys cannot be matched to your personal information. When not in use, your keys will be stored in a secure locked location by Caring Paws.

With Caring Paws implementing these precautions we are able to continually retain your keys for future sits. Doing so will eliminate the need for your keys to be picked up and dropped off after every visit. This will not only help you, but it will enable us to provide you with exceptional care. At any time, if you wish to start this service, or discontinue this service we will promptly follow your desires.

We hope this service will provide you with a benefit that will make taking trips that much easier.

I **DO NOT** wish to take advantage of Caring Paws Key Retention Service at this time. I would like my key(s) returned after this reservation.

I agree to pay normal visit fee for each time Caring Paws returns and/or pick up keys for future visits.
